

# ICE Menlo

International Cooperative Education  
Discovering the *Wonders* of the World

## Hello, students!

欢迎

Are you interested in educational opportunities abroad?  
Do you have a passion for traveling and experiencing different cultures?  
Would you like to establish valuable contacts with leading businesses around the world?

ICE Menlo works with many universities and colleges to provide these valuable experiences for students. There are opportunities for everyone, regardless of your area of study. Since 1971, ICE has placed students in over 15,000 internships across the globe!

## New opportunities for 2006
